HALLENBECK HORSES SCORE

WEALTHY EASTERNER HAS EXCEPTIONALLY SUCCESSFUL DAY AT LATONIA.

Accounts for Half the Card with Housemaid, Stinger and Prince Gal-Speedy Azyiade Easily Wins the Rosedale Stakes.

Cincinnati, O., October 21.—The colors of H. C. Hallenbeck were conspicuous at Latonia today, representatives from his stable accounting for half the card of six races and contributing extensively to the enjoyable sport provided during the afternoon. His initial success came in the second race, which Housemald won ratter handily after an early struggle to dispose of the erratic Donau. Stinger followed with a victory over Leamence in the handicap at one mile and an eighth, and Prince Gal added the climax by a sensational triumph over Bobby Boyer in the closing dash. It was the first time that Prince Gal and Stinger had won for Mr. Hallenbeck. The first named was secured by the claiming route from George Odom and cost \$2,500. Stinger was bought from C. C. Smithson for the reported of price of \$6,500. Mr. Hallenbeck is reported to have profited handsomely by the triple success of his horses, aside from the purse values.

Today's ideal weather and splendid card attracted a banner attendance, the crowd exceeding in numbers that of the opening day. Speculation was the heaviest of the meeting. The feature was the Rosedale Stakes, worth \$1,340 net to the wincommandingly cates. For the online trip and won commandingly Gates. For the online trip and won commandingly Gates. For the superior took second place from his against except. Mockler's victory in the fifth race was unexpected to Stone Street and Console, which latter pair brought up in third and fourth places, respectively. The opening purse went to Merode in a stirring finish with George Oxnard, Floral Day being third. Mary Emily was smartly backed in this race, but what ever chances she had to score went glimmering at the start. McTaggart appeared to have taken her up without cause at the break and later when she seemingly had a winning chance in the stretch he scaln look her back. The judges were dissatisfied with fast handling of the filly and had him before them oxplain his actions. He attributed his failure to get away from the post in a better position to th

DERBY TO IRISH GENTLEMAN arters in 1:21.

DERRY TO IRISH GENTLEMAN.

Biggest Crowd in History of Sport in Northwest Sees Running of Race.

Spokane, Wash. October 21.—Irish Gentleman today won the \$2,000 Lake City Derby at Coend d'Alene before the largest concourse of people ever assembled on a regular race course in the northwest. Admirably handled by J. Callahan, he wrested the lead from Pawhuska on the backstretch and was never afterwards headed, winning by a comfortable margin from Dutch Rock and Pawhuska, with the others beaten off. He received a tremendous ovation on returning to the stand and a bandsome floral saddle was placed upon his back. Enfield won the sprint race from Tenr's Trick, picking him up at the paddock and running away from him from there to the finish. Meadow, starting for the first time in months, ran a slashing race and probably will do from now on.

Cincinnati, O., October 21.—One of the notable turf events of the year will take place at the Latonia track next Thesday when Worth and Sprite, two of the greatest American two-year-olds of the year, will meet in a match race for \$5,000 a side, Worth is owned by H. C. Hallenback, a wealthy newcomer to the turf, and one who loves the sport. Sprite is the property of H. K. Knapp, likewise wealthy, a steward of the Jockey Club of New York, a keen sportsman and a pillar of the turf. Both men have posted their side bets and there is but one point in the stipulations that may cause a postpoacment, and that is the track must be good. As that term as applied to the condition of the going at a racecourse is a bit broad, the matter will be decided by Judge Charles F. Price. If he declares that the track is good, then the race must go or the side bet is forfeited.

The match will be at three-quarters of a mile, Worth is to carry 118 pounds and Sprite 110. This makes the colt concede the filly five pounds in addition to the sex allowance.

The race was brought about through some talk that came up at Louisville after the recent defeat of Worth in the race in which his jockey lost is stirrups and therefore was unable to do his mount justice. Mr. Hallenbeck thinks he has the geratest racing machine that ever rau, and his trainer, Frank M. Taylor, was anxious to get a match race with some good juvenile on account of Worth's mishap.

W. H. Karriek, trainer for H. K. Knapp, offered to take Mr. Taylor up and found that he would be will-

STAKES TO BEVERWYCK STABLE.

Sir John Johnson and Aldrian Finish First and Second in Washington Handicap at Laurel.

Laurel, Md., October 21.—Rain which fell this morning was responsible for the going at Laurel this afternoon beling heavy, so the trotting and novelly events could not be held. The last-named will take place on Monday should the track be in proper condition. The management had a little luck, however, as the weather cleared at noon and a large crowd made the trip to the course. The sport was interesting, even though the track was heavy. Plarty-two books went on, thirty of them being in the big ring and it was announced that this will be the limit number permitted to do business at the track.

The try-two books went on, thirty of them being in the big ring and it was annonneed that this will be the limit number permitted to do business at the track.

The steeplechase race, in which officers of the Army and Navy had mounts, was to have been the day's big event, but it had only three starters. Still, it furnished plenty of excitement even if two did fall, leaving Knight of Elway to gallop over the course alone. When O. K. and Miss Hynes went down, Lleut. Alexander was knocked out for a time so that he made no effort to catch Miss Hynes, but Lieut. Rockwell gave a game exhibition on O. K. and deserved the ovation he received when he brought his mount home and took second money. After Lieut. Rockwell remounted O. K., his gelding refused at hearify every jump, but he kept him at it. The Washington Handicap was the chief race on the flat and the Beverwyck Stable took first and second money in the race with Sir John Johnson and Aldrian. The first-named led all the way, but his stable companion could have beaten him home had his rider desired. Star Charter ran a great race, as he was knocked out of it at the start, while the same thing happened to Lawton Wiggins.

Hilarious broke through the barrier at the start and shortly afterwards his saddle slipped. Gould tried hard for a mile to bring the colt to a stop, but finally slid off. Hilarious then ran around the track and into one of the stables where he was captured and brought back to the post.

Little Ep and Mad River changed hands after Little Ep won. C. J. Odell bid him up and took him for \$1,000 and then J. W. Hedrick claimed Mad River from Samuel Ross.

The stakes for the meeting at Norfolk have filled well, the number of nominations being: Monticello, 50; Excelsior, 52; Lynhaven, 45; Thanksgiving, 41; Merchants', 51.

P. S. P. Randolph was at the track to see Plate Glass run in the stake race and was disappointed by his horse's poor showing.

Myles O'Connell, winner of the fifth race, was run up \$205 after his victory, and was retained by his owner.

ENGAGEMENTS OF CRACK JOCKEYS.

Rarely do I indulge in the repetition of casual gossip, but here must be made an exception, owing to the great interest which would center in the rumor if perchance founded on fact, as seems not unlikely. It has been represented to me that Wooton's resignation of the Stanley House claim is in the main due to the bright prospect of Lomond training on into the winner of the Derby. His riding days are probably numbered, for Nature has asserted herself, and from a little lad he seems all of a sudden to have sprung into a man, still growing so fast that he looks like qualifying for a place in his Majesty's Life Guards. It remains only for him to ride the winner of the Derby to set the seal on his fame as one of the most brilliant jockeys that ever sat in a saddle, and those who can read between the lines will take it as the tip direct that next year Mr. E. Hulton will have first claim, conjointly with his father's stable, on his services, Outside that I understand that he will ride as a free lance, and in so doing will be wise in his generation, for he is in a position to command enormous fees for chance mounts, so eager is the demand for his services. But although there will be no definite retaining fee he will, I believe, after his own stable, give preference to Mr. J. B. Joel, for whom he has lately been riding with marked success. With all reserve, another startling rumor to the effect that under the advice of his trainer Richard Wootton, who presumably does not consider the ground at his disposal suitable for the purpose, Mr. Hulton contemplates transferring Lomond from Epsom to Letcombe Regis to, be prepared for next year's engagements by that past-master of the art, Charles Morton, who has already White Star to go on with. Maher will ride first again for Lord Rosebery next year, but whether Mr. Leopold de Rothschild's second claim will be renewed has not yet been determined. As has been previously announced, young Rickaby will succeed Wootton as first jockey to Lord Derby's Stanley House Stable, to which he w

WHITNEY YEARLINGS OFF FOR ENGLAND.

New York, October 21.—One of the most valuable consignments of thoroughbred yearlings ever sent abroad by one owner—thirty-two in all—are today on route to Newmarket on the liner Minnetonka. They are the property of H. P. Whitney and are valued at \$250,000. The consignment is in charge of John Schlosser, who will deliver them to A. J. Joyner, Mr. Whitney's trainer at Newmarket. In addition to having engagements in the Derby and Oaks of 1913, the Whitney yearlings are heavily engaged in many valuable stakes to be run during 1912, and it is predicted that through their winnings Mr. Whitney will have next year his best season in England.

HAVANA PURSES TO BE ATTRACTIVE.

Most Horsemen Quartered at Laurel Will Help H. D. Brown Establish Racing in Cuba.

Laurel, Md., October 21.—H. D. Brown's announcement that racing will positively begin at Havanna December 15 was pleasing to the majority of the horsemen quartered here. Everything will be in readiness so that the horsemen can ship after the fall meeting at Norfolk direct to the plant at Havanna There have been many reports circulated to the effect that there would be no racing in Cuba. This is disproven by the arrival of W. P. Burbidge, one of H. D. Brown's partners in the Havana venture. He comes with the welcome news that the Governor of Cuba has signed a bill sanctioning racing and granting a long concession to the promoters of the venture. The governor is particularly interested in the venture, as he believes it will be a good thing for the country, serving at it will to induce many more Americans to visit the island and remain longer than tourists generally do.

Manager Brown will have the plant in readiness to start racing on December 15 as advertised, and there will be room for all who care to ship there, instead of building a new plant this season, he will send a force of men to Cuba, within a week, from Laurel to enter upon the work of remodelling the old Almendares track, which can be done within a month. The old plant will be so improved for the winter's racing that it will be as good as most amount. The old plant will be so improved for the stables will be the first part of the plant attended to. These will be overhauled and rebuilt in up-to-date style. Several hundred new ones will be erected and the capacity of the stables will be increased to provide accommodations for nine hundred horses. The minimum purse value will be \$500, while valuable stakes will be announced at a later date. Mr. Brown is now working on the conditions for them. He will carry out his idea that where the largest purses are hung up the best of the horses will race and that the best horses will attract the best riders and race patrons generally.

As soon as the announcement was made, the majority of the Ouba Manager Brown wil

MESSENGER BOY'S STURDY LINEAGE.

Messenger Boy belongs to the No. 12 line of the Bruce-Lowe breeding system, which is the family also of Lexington. As the latter sired the dam of Ten Broeck, it will be seen that the three record-breaking four-mile horses of Kentucky are in a measure related. Mary Zena, dam of the Kentucky Endurance Stakes winner, is by Farandole and is out of Cotton Queen, by imported King Gallop. The latter is out of War Mantle, by Sir Martin and is a half-sister to the brilliant race mare Lady Schorr, winner of the Tennessee, Latonia and Kentucky Oaks. War Dress, the next dam, was by War Dance and is the dam of Appomattox, a stake winner of fourteen races. The next dam is Brocade, the dam of Burch, a stake winner of forty-two races and he also produced Jennie B. Bertha B., Long Cloth and others of note. Then comes in Messenger Boy's pedigree, a line of noted mares, such as Ermengarde, by Lightning, the dam of Libble L., sister to Ruric, by imported Sovereign, the dam of Grinstead-Levity, by imported Trustee, the dam of Vandal. There are twenty-six crosses in Messenger Boy's pedigree on the side of his dam and his sire, imported Mazagaan, is as fashlonably and fully as strongly bred.

Other four-milers of note in Messenger Boy's line on the dam side are Monarchist, which beat Harry Bassett at this distance and Janet, which still holds the Kentucky four-mile record for a mare, 7:25.

So, after all, blood told in the recent running of the Endurance Stakes at Churchill Downs and voor.

AMERICAN HORSES REACH MEXICO CITY.

Mexico City, Mex., October 21.—A special train arrived here today after a record run from Louisville, Ky., with horses for the fall race meeting of the Jockey Club of Mexico at the Condessa course, soon to open. The meeting will have for a feature event the second running of the Mexican Detby for a rich purse, a portion of which will be contributed by the Mexican government.

Matt J. Winn, manager of the Juarez and the Churchill Downs tracks, as well as of the local course, is expected to arrive tomorrow with other racing officials.

Round the World, Chapultepee, John Louis and other well-known American horses, were included in the consignment that arrived from the United States.

PROGRAM RIDDLED BY WITHDRAWALS BE-CAUSE OF CHANGED TRACK CONDITIONS.

Alfred Noble Scores a Surprising Victory in Green Spring Valley Steeplechase-Moisant Wins at Odds of 1 to 60 Over One Lone Opponent.

Baltimore, Md., October 21.—The Maryland Jockey Unboffered its patrons a splendid program for this afternoon, but rain came this morning and converted the track into a sea of mud, with the result that scratches were numerous. The only close finish of the afternoon came with the running of the fourth race, in which All Red just managed to last long enough to stall off Moncreit's challenge and win by a short head.

There were two steeplechases, one a selling handicap over the two-miles course and the other the Green Spring Valley Steeplechase over the two and a half miles course. The latter was a \$1,500 added event and it brought out one of the best fields of jumpers that ever ran over the Pimlice course. The result proved a great surprise, the winner turning up in the rejuvenated Alfred Noble, which beat The Welkin in easy fashion. His impost of 168 pounds anchored the favorite, Algie, which has never shown any particular liking for heavy going. The first race was scratched down to a two-horse affair between Moisant and Mileage, with the former ruling a prohibitive favorite, the odds being 1 to 60. Moisant only cantered and won with much in reserve.

S. C. Hildreth did not profit by Restigouche's vic-

Moisant only cantered and won with much in reserve.

S. C. Hildreth did not profit by Restigouche's victory in the second race, as the horse was run up \$505 by J. L. McGinnis.

Jockey Shilling piloted three winners—Moisant, Restigouche and Maromara.

A number of horsemen who have been racing at Laurel came over this afternoon to attend the sale of Mrs. L. A. Livingston's horses previous to the races. Among them were R. D. Williams, Jule Garson, H. J. Kennedy, W. O. Scully, Willie Martin and M. Burns,

William Offver will tomorrow ship the florses owned by J. S. Tyree to Benning, where they will go into winter quarters.

J. Simon Healy goes from here to Norfolk Wednesday with the Cassatt string. T. J. Healey, A. G. Weston and James Fitzsimmons will go on Thursday, while John Whalen and S. C. Hildreth will leave on Saturday next.

William Garth goes from here to Laurel to race the meeting out, after which he will ship to Norfolk.

ED WHYTE REJOINS VALLEY FARM STABLE.

Hamilton. Ont., October 21.—The Valley Farm horses will be trained by Ed. Whyte next year. That is the latest announcement in local turt circles. It will be remembered that Mr. Whyte was connected with the stable some years ago, and met with great success. It was under his training that Martimas won the Futurity for the late William Hendrie, and that Butter Scotch and Lyddite won their Queen's Plate races. He also fitted Harvey and Laverock for several of their big races, and was always recognized as a first-class man. Mr. Whyte was with the Mackenzie stable for a time, and met string. He has always been noted as a great man to get horses in shape for the King's Plate races.

The Valley Farm Stable horses will winter at the farm this year instead of at Woodbine. There are five good platers at the farm now, and it looks as though the colors will be hard to beat in the feature event at Woodbine next spring. Most of the King's Plate cligibles are by Martimas, and there are some promising-looking youngsters in the bunch. Denham came through the season in good condition, and if he winters well he will win many a Canadian to the farm, and promises to show something as a four-year-old,

We Shipped to Laurel

about in this paper has been SHIPPED to LAUREL. On account of conditions at Pimlico, which I cannot explain, these people would not take any chances with this horse, which they will CUT LOOSE SATURDAY, OCTOBER 28, AT LAUREL. Rain or shine, this SPEED MARVEL will then go to the post. It's just a canter for this horse, which has been in preparation for four months for a CLEAN UP. We are now ready. My Coeur d'Alene Special on Tuesday, Oct. 10, was Twickenham. He was left at the post. This horse Won next time out at 12-1. My Advertised Special at Latonia last Monday was withdrawn, but Won on Friday, Oct. 20, at 285-100. My Patrons are instructed to play next time if horse should lose by bad racing luck. Helmet, 285-100, Won, was the horse. The above and Three Losers were the only horses sent my Patrons the past two weeks.

WATCH ME AT LATONIA NEXT WEEK.

I have word on a horse that will be sent after the money TUESDAY. The parties connected with this horse think they can't lose, as it will be in an easy spot, and the Commission will be placed away from the track, which means you will get a good price. Rush Subscription for this one.

My Next Occasional goes Thursday. This horse is fit and will be in a soft spot and will win barring accident, at good odds. Saturday I will put over one of the best things I have had in some time. My advice from the track is to have a plunge bet on these Three. These horses have been working great guns, so don't fail to get in on them. Here are Three Good Things that my Partner informs me will be backed away from the track, which means you will get a big price. My terms are always the same, with the Guarantee of a Winner, and this is what I charge for. Winners Only. No Notice taken of Communications unless accompanied by the money.
